Scholarship options

Ernst Mach Grant	The Ernst Mach Grant is a scholarship option for applicants wishing to study at an Austrian University of Applied Sciences. The scholarship is targeted at undergraduates and graduates of all disciplines from non-European countries. The duration of the funded mobility has to be between four and ten months with the student receiving a monthly grant rate of €1050. Application deadline: March 1 for the following academic year Applicants must not be older than 35 years. Please visit http://www.grants.at for further information

Services for incoming students

Website	https://www.fh-campuswien.ac.at/en/international/incomings.html
Orientation Week	In the week before the official semester start, the International Office will organize an orientation week for all new incoming exchange students to introduce them to their academic stay at FH Campus Wien and help them get settled in Vienna. All our incomings are also invited to join for an Austrian welcome dinner on the first evening of the orientation week.
Buddy network	Our incomings can apply for a buddy who will provide assistance before and during their stay in Vienna.
German language classes	FH Campus Wien does not offer German language classes, but our incomings can sign up for language classes at the Language Center of the University of Vienna . We recommend taking the trimester course for which students will receive 4 ECTS credits after successful completion. The University of Vienna will issue a separate transcript of records for the German language class. The International Office offers a €200,- scholarship for incoming students who have successfully completed their German language class.

² Based on the Common European Framework of Reference for Languages
